

AUTO CLUB'S FIRST TRIP WILL BE WITH BAND TO WEST UNION

Large Delegation of Maysville People Expected To Accompany Band to West Union on Saturday for Memorial Day.

The first official trip of the Maysville Auto Club has been set for next Saturday to accompany the Maysville Boys' Band to West Union where the band will play for the annual Memorial Day services to be held there. The call for the Auto Club to make this trip was issued by its officers Wednesday evening and today Mr. Fred Diener, local sign writer, is preparing banners for the several automobiles which will take the trip.

While the Maysville business men and tourists are pleased to accompany the band to West Union, they will also have in mind a closer relationship between Adams and Brown and Mason counties and will go there to assure the people of Adams county that the Maysville Auto Club and Chamber of Commerce will join them in any movement to improve the Brown and Adams county roads leading to Aberdeen. A movement to improve this through county road, was started some time ago and it has the hearty support of all Maysville county business men and tourists as well as the business men and tourists of Brown and Adams counties living in that section through which the thoroughfares will pass.

The trip being planned on such short notice by the Auto Club will be in many particulars similar to the trip made to Maysville this week by the business men of Lexington and all those who desire to join in the trip should get in touch with the Auto Club at the Farm Bureau building at once.

SPECIAL NOTICE TO RED MEN.
The banquet to be given in commemoration of the twenty-fifth anniversary of Wyandotte Tribe will take place Thursday, June 3rd, in the Wigwam. Members should in once send to the Chief of Records, Duke White, their card of acceptance if they expect to attend. This is very important as only those who notify the Tribe that they will attend will be provided for. Places will be reserved for visitors from neighboring tribes. The occasion will be one which will be a great pleasure to everyone who attend. Send your cards at once.

It's free. Come hear Col. Smith Sunday afternoon.

SCHOOL BOND ISSUE MAY BE POSTPONED AWHILE

Some Members of the Board of Education Think This Is An Inopportune Time To Ask For Bond Issue.

It is understood that the matter of asking the City Council for an ordinance calling for a bond issue to erect a new school building in the Sixth ward of the city may be postponed until some more opportune time and this question will probably come before the Board of Education at its regular May meeting on next Friday evening for some final disposal.

Some of the members of the Board of Education as well as many citizens point out that financial conditions are such just at this time that the citizens should not be called upon to vote on the matter of a bond issue for the erection of a new school building. It is pointed out by some that although in normal times there are many who would favor a bond issue for schools, there are many who in face of the present conditions would not support the movement.

Considering the shadow of approaching financial stress, many believe the Board of Education will postpone definite action on the petition of the Sixth ward citizens until some future period when conditions are better.

CIVIL WAR VETERAN WILL DELIVER ANNUAL EULOGY.

Colonel E. Polk Johnson, of Louisville, retired journalist and historian, a gallant warrior of the gray in the Civil War, will deliver the annual eulogy in this city at the Confederate Memorial Service to be held on Thursday, June 3. While in Maysville county Colonel Johnson will be a guest at the home of Mr. and Mrs. Lucian Malley at Washington.

BOARD OF EDUCATION MEETS FRIDAY EVENING.

There will be a very important meeting of the City Board of Education held at the High School building on Friday evening when the matter of electing some new teachers for next year and other very important matters will come before the board.

CHILDREN'S PRACTICE.

Children's Day practice at the Third Street M. E. church Friday evening from 6:30 till 7:45; choir practice following from 7:45 till 9. Everyone in the children's department is expected to be present.

MEMORIAL SERVICES IN CONNECTION WITH MASON COUNTY MEET

Hon. Joseph Severance Will Deliver Memorial Address at Maysville School Athletic Meet On Friday—Many Schools Enter.

Mr. D. F. Zerfoss, State Y. M. C. A. Secretary, arrived in Maysville today to complete all preliminary arrangements for the big Mason County School Athletic Meet which will be held on the Maysville school athletic field all day Friday beginning promptly at 9 a. m. and closing at 5 p. m.

Mr. Zerfoss made a very interesting announcement this morning and this is that one and a half hours of the time for the meet will be given over to a Memorial service in honor of the war heroes and Hon. Joseph Severance, one of Kentucky's most prominent orators, will deliver the address. The whole county is, of course, invited to attend the meet but they are more especially invited to hear Mr. Severance's address in honor of the hero dead. Rev. W. S. Peters, of this city, will also speak.

The success of the athletic meet is now assured as teams and individual athletes from Washington, Minerva, Maysville, Sardis, Mayslick and Rectorville High Schools have been entered in the various competitive contests and a warm contest is expected in every event.

The judges and other officials of the meet are among the best known athletic directors in the state of Kentucky. Mr. L. F. Zerfoss, State Y. M. C. A. Secretary, will be in direct charge. Mr. W. D. King, physical director of the Lexington High School; Mr. C. B. Harrison, General Secretary of the Paris Y. M. C. A. and Karl P. Zerfoss, Student Y. M. C. A. Secretary of Kentucky will be the officials.

SUGGESTS OUR BAND FOR BLUEGRASS FAIR.

The Lexington Leader says: "The warmth of the welcome given at Maysville captured everybody and the boys' and girls' band, which gave the visitors a concert, was one of the most remarkable musical productions any of them ever saw. More about this band later. The Lexington Fair would make a great hit if it could be secured for that event."

MANCHESTER WANTS TO HEAR OUR BAND TOO.

The Mayor of Manchester telephoned to Manager J. Harbourn Russell this morning asking that, if possible, the trip to West Union Saturday be routed through Manchester so that our Boys' Band could play one or two pieces in that town where it has never yet been heard. It is more than likely that these arrangements will be made.

TWO MORE APPLICATIONS.

Wyandotte Tribe received two more applications for membership at its last meeting. By special dispensation applications may be received, voted upon and receive all three degrees next Tuesday night. This will give all who wish to join in time to get in on the quarter century celebration to be held Red Men by that time.

SENIORS CONDUCT CHAPEL EXERCISES.

The grave Seniors of the Maysville High School conducted the Chapel exercises this morning and as is usually the case on these occasions the student body was given many hearty laughs through the come-offs on members of the faculty and members of the Board of Education.

P-T-A. MEETS FRIDAY.

The Parent Teachers Association of the First District will hold an important meeting Friday afternoon at 3 o'clock. An excellent program has been arranged and there will be an exhibition of the children's work in each of the rooms.

All parents interested in the welfare of their children and of the school are urged to be present.

BIG SALE IS ANNOUNCED.

We call the special attention of our readers to the advertisement of the Maysville Suit & Dry Goods Company appearing elsewhere in this issue announcing a big price reduction sale lasting for a period of ten days. This announcement contains much interesting news for local shoppers and should be read carefully.

PRAYER MEETING TONIGHT.

The regular weekly prayer service will be held at the First Baptist church this evening at 7:30 o'clock in charge of the pastor. A report of the Southern Baptist Convention which has just met at Washington City will be given.

All local barber shops will close Monday at noon in celebration of Decoration Day. MAY-27

COMBS HAS RIGHT TO LIMIT BLANKS

Internal Revenue Commissioner Rules That Prohibition Director May Limit Books.

Authority of Prohibition Director James H. Combs to limit the number of books of prescriptions a physician may obtain to one a quarter is contained in a treasury decision signed by the Commissioner of Internal Revenue and the Assistant Secretary of the Treasury, a copy of which was received Wednesday by Mr. Combs. In cases where a physician can show another book is necessary in his practice, an additional book will be furnished in the discretion of the director or commissioner.

Suit to test Mr. Combs' power to limit the number of prescriptions that may be issued was brought in Federal court here by Dr. George F. Shapson, of Louisville, and will come up in the Lexington term of Federal court on June 8.

Referring to a recent published statement that the "sky is the limit" in the number of prescriptions that may be issued, Mr. Combs stated that the limit falls far beneath that.

Following a ruling by the prohibition commissioner on March 10, Mr. Combs announced that physicians who had used one or two books would be allowed another one, but that this should be used sparingly. Those who had used three books were not to be allowed any more at that time, but it was not stated they would have to wait a specified length of time before they could secure another one.

YOUNG FARMER TAKES POISON WITH SUICIDAL INTENT

Orville Simons Is Rushed to Cincinnati Hospital In Effort To Save His Life—Had Swallowed Poison.

Considerable excitement was created in the Sardis neighborhood Wednesday evening about dusk when it was reported over the country that Orville Simons more familiarly known throughout that section as "Dash" Simons, had taken poison with suicidal intent.

The young man, who was employed on the farm of Mr. Henry Rees, in the Sardis neighborhood, had been brooding over some apparent trouble for the past several days but it was not thought that he was contemplating any rash act and at just about supper time he was found to have swallowed a goodly portion of a most deadly poison. He was immediately placed under the care of a physician, who thought that his life might be saved if he could be taken immediately to a Cincinnati hospital for treatment.

Word received by friends this morning was to the effect that a treatment had been given him early this morning immediately upon his arrival and his many friends hope for his recovery.

Simons was 17 years of age and an orphan. He was a community favorite and his friends were shocked at the report of his attempt to end his own life.

MR. JAMES ROGERS DIES AT COLORADO HOME YESTERDAY

Native Maysvillian Succumbs After Long Illness—Body Will Be Brought Here For Burial.

Word was received here this morning of the death Wednesday afternoon at his home at Denver, Colorado, of Mr. James Rogers, who has been ill for many weeks. He was a native of Maysville and had spent the greater part of his life in this city.

He is survived by two sisters, Mrs. Darlington Fee and Mrs. John Marshall, of this city, who were both at his bedside at the time of his death, and one brother, Mr. J. C. Rogers of this city.

The body will be brought to Maysville for burial, leaving Denver this evening and it is expected that it will reach Maysville sometime Saturday.

The funeral will be held Monday afternoon at 2 o'clock from the home of Mr. and Mrs. D. E. Fee in Sutton street and burial will be made in the Maysville cemetery.

NO PAPERS MONDAY.

The newspapers of Maysville will not publish an edition on next Monday observing the day as Memorial Day. This is done in accordance with a movement of the American Newspaper Publishers' Association to observe holiday in an effort to relieve the newspaper situation. Newspapers all over the land will observe the day.

BOY FALLS BENEATH WHEELS OF AUTO; IS BADLY INJURED

Eight-Year-Old Lad Jumps From Automobile and Is Pulled Under Moving Wheels—Injuries Painful and Serious.

Henry Day, the eight-year-old son of Mrs. Flora Day, who lives in East Second street, just East of Limestone street, was seriously injured and narrowly escaped instant death at noon today when he jumped from the Economy Grocery Company's automobile and was thrown under the rear wheels.

The lad was riding on the running board of the machine and George Ross, the driver of the car was preparing to stop in front of the boy's home to allow him to alight. The boy evidently thought the machine was not going to stop, however, and when it came near to the front of his home, he started to jump but seeing that he was about to fall, he caught the side of the car with his hands and was dragged under the rear wheel. The right rear wheel passed over his right leg breaking it and he was thrown against the brick paving cutting a long gash over his right eye.

The injured boy was carried in the machine to Hayswood Hospital where he was given medical attention and the broken leg was set. Eye witnesses to the accident said the driver of the automobile was in no means to blame for the accident.

I keenly appreciate the responsibility and importance of this high position, and, in the event of my election, I will give to the duties of this office the best there is in me and will represent the people of Kentucky and of the United States to the best of my ability.

I desire, also, to take advantage of this opportunity to express my sincere thanks to the many Republicans throughout the state who have, without solicitation on my part, so kindly and generously offered me their support.

George H. King, prop. grocery, 615 E. Second St., Maysville, says: "I have used Doan's Kidney Pills off and on for several years, getting them at J. J. Wood & Son's Drug Store and I have been greatly benefited by them. Sometimes my kidneys have been out of order and the kidney secretions have been irregular in passage. I have suffered severely with aches through the small of my back. When I have been that way, I have used a box or two of Doan's Kidney Pills. They have never failed to cure the attack."

INDUSTRIAL ACTIVITY IN THE SOUTHLAND IS COMMENDABLE

Brief Summary of Construction Work And Industrial Activity Throughout the Southland.

Activity in the mining districts of West Virginia, including the sale of important coal properties, is a feature of the industrial news in the Manufacturing Record of the current week. A million-dollar mining company has been formed at Cedar Grove, and two companies with \$350,000 capital each have been organized at Treco and at Teckley, W. Va. Improvements and new developments are announced from a number of other towns in the same state. 3,000 acres of coal lands having been purchased for development at Moundsville. Pennsylvania interests have purchased 2,000 acres of coal lands at Vintex, Md., and contemplate additional acreage; present daily capacity 500 to 600 tons, with a contemplated capacity of 1,000 to 1,500 tons; electric plant for mine and town will be installed, church, town hall and other structures erected.

A 17-story industrial building costing \$2,000,000 will be erected in Tallahassee, Fla., by a corporation which has under consideration a 1,000-room hotel to cost \$2,000,000, and an office building costing a like amount will be erected in Houston, Tex. A \$150,000 office building is planned by a corporation recently organized at Savannah, Ga. New church buildings, club-houses, dormitories and theaters are announced from a number of different Southern cities, the cost ranging from \$250,000 to \$700,000 each.

Nine miles of levee, with drainage and roadway structures, will be constructed by the city of Dallas, Texas, and Dallas county. The project involves 3,000,000 yards of earthwork and will cost \$5,000,000.

A number of cotton mills are increasing their capitalization. New mills have been formed at Newton, N. C., with \$500,000 capital. A mill manufacturing fire fabrics at McCall, S. C., increases from \$1,500,000 to \$2,000,000, and a cotton mill at Greenville, S. C., raises its capital from \$1,750,000 to \$5,000,000. Another at Piedmont doubles its capital. These increases are simply typical of what has been going on in the textile centers for many months and serve to show the activity prevailing in the cotton-mill industry.

The R. J. Reynolds Tobacco Co. has doubled its capital, increasing from \$40,000,000 to \$80,000,000.

Two million dollars will be expended by a ship-repair plant at New Orleans for increased facilities at that port, these improvements to include two 10,000-ton floating dry docks. At Galveston, Tex., six diesel-electric cotton compresses will be installed at an initial investment of \$500,000. A wharf and terminal company formed at Norfolk, Va., with \$500,000 capital will build a water-front terminal, to include pier spans for three ocean-going vessels, marine railway, repair shop, etc.

Improvements to a car and foundry plant at Huntington, W. TRACTOR DEMONSTRATION PLANNED FOR THIS COUNTY

All Manufacturers of Tractors Will Be Asked To Join In Big Demonstration Here In Near Future.

The Mason County Farm Bureau is planning a big tractor demonstration in Maysville at some time in the early future and every manufacturer of tractors having Mason county agents will be asked to join in this big demonstration.

A suitable place will be selected by the Bureau and the demonstration will be extensively advertised throughout the district, every farmer being urged to attend and see what can be done on Mason county land by the use of the small farm tractors.

The farmers of Mason county during the past two years have purchased quite a number of tractors and their use on our land has proven very successful. The Farm Bureau is anxious to have the farmers of the county thoroughly understand their use and value and the officers of the bureau feel certain that with the more general use of the tractor on the level lands of the county, Mason county's production will be greatly increased.

A committee of the Farm Bureau is now working on the plans and is getting in communication with the various tractor manufacturers and their local agents.

POLICEMAN KEEPS PROPERTY. OWNERS IN LINE FOR BOARD.

Patrolman James McNamara was today detailed to be on guard at the door of the Mayor's office where the City Board of Equalization is hearing complaints of property owners an assessment increases. The policeman keeps the property owners in line and sees that each person gets before the board in their proper order. Although there has been a constant stream of complaining property owners before the board all morning, the crowd was not so large as might have been expected. Additional notices of increases were placed in the hands of Chief Clerk for service this morning by the members of the board.

BLOOD KILLS DISEASE GERMS

Pure, Healthy Blood Destroys Germs, Removes the Waste Tissues and Rebuilds Bone and Muscle

If Your Blood Is Weak, Don't Delay.

Take Gude's Pepto-Mangan, the Red Blood Builder

In your body are two gallons (more or less) of blood, which is constantly at work keeping your system free of germs, removing the waste tissues, and building up new strength in bone and muscle.

This blood must be healthy or your resistance to disease and fatigue will be lowered, you will lose weight, and both body and mind will have less vigor.

For building up blood weakened by overwork, illness or other causes, Gude's Pepto-Mangan, for years prescribed by physicians, is now generally known as a prompt and harmless tonic.

Gude's Pepto-Mangan soon produces marked beneficial results. The tired, worn-out run-down feeling disappears. And in its stead a vigorous wholesomeness and happiness proves that the blood has been supplied with the sorely needed richness to supply the entire system with renewed strength.

When you buy Pepto-Mangan at your druggist's be sure the name "Gude's" is on the package. You can get it in either liquid or tablet form. If the name "Gude's" is not on the package it is not Pepto-Mangan.—Adv.

John Fryman, 17 years of age, was before Judge John L. Whitaker in Police Court this afternoon on a charge of grand larceny and was held to the grand jury under a \$250 bond. Being unable to give the bond, he was taken to jail to await the September jury. Fryman stole a bicycle which had been left lying on the grass at the carnival grounds last week and rode it to Springfield. It was located by Officer Ryan in a chicken house on the Dodson farm near the cemetery where Fryman had hidden it.

DISTRICT PROSECUTOR IS WOUNDED IN FLEMING FIGHT.

Reports reached Maysville this morning that District Prosecutor R. S. Grannis was rather painfully wounded in a fight with Mr. James Yantis, Flemingsburg undertaker, in that town late Wednesday afternoon. It seems as though Mr. Yantis had been summoned before the Grand Jury and had failed to respond to the summons. He and Mr. Grannis met on the street and an argument followed in which Yantis was exchanged and Mr. Yantis used a knife cutting Mr. Grannis several times on the body. Although his wounds are reported to be painful they are not serious. Mr. Yantis was arrested.

KEPT HER AWAKE

The Terrible Pains in Back and Sides. Cardui Gave Relief.

Marksville, La.—Mrs. Alice Johnson, of this place, writes: "For one year I suffered with an awful misery in my back and sides. My left side was hurting me all the time. The misery was something awful."

I could not do anything, not even sleep at night. It kept me awake most of the night. I took different medicines, but nothing did me any good or relieved me until I took Cardui.

I was not able to do any of my work for one year and I got worse all the time, was confined to my bed all on. I got so bad with my back that when I stooped down I was not able to straighten up again. I decided I would try Cardui. By time I had taken the entire bottle I was feeling pretty good and could straighten up and my pains were nearly all gone.

I shall always praise Cardui. I continued taking it until I was strong and well. If you suffer from pains due to female complaints, Cardui may be just what you need. Thousands of women who once suffered in this way now praise Cardui for their present good health. Give it a trial. NC-133
